Lifetime Warranty

LettersandSigns.com guarantees our Stainless Steel for Life. That means that should a product fade, break or contain any defect, we will refinish or replace the defective materials at no cost to you, as long as the product is installed in its original location.

Stainless Steel Letters from LettersandSigns.com are designed to last a lifetime. We test all our materials and finishes, refine our coating technology, and deliver a product that we know will last much longer than the life of any other product you may install. From experience in the field and from our test lab results, we know that our Stainless Steel Letters will last in excess of 10 years without any noticeable degradation in appearance. We also know, from many installations around the world, that Stainless Steel Letters last much longer than that (especially with routine cleaning and maintenance). Please note that our guarantee applies to defective material only, as described in our warranty statement below. All LettersandSigns products are not guaranteed to cover any damage caused by natural disasters, accidents, theft, or vandalism.

Any dimensional product used outside will get dirty. Varied climatic and industrial conditions may impact your letter finish. Therefore, regular basic cleaning is recommended using mild soap and water.
